[00:00] The role of logistics, we can also say, is significant. [00:08] Or at the same time, I can also say that logistics is the bedrock. [00:25] In better take notes, logistics is the bedroom of business and supply chain. [00:37] Endoculate. [00:46] Logistics is the bedroom of any business and supply chain. [00:52] Endoculate. [00:54] When they say something, it's a great job. [00:59] What does that mean? [01:01] Myococcio. [01:02] Eh? [01:03] Myococcio. [01:04] It's the leg of that. [01:09] It's the backbone, it's the foundation. [01:20] For instance, like I was telling you last year, the transport of those distinct things is what we know. [01:29] But it has been part of all life from the time we have conceived in our mother's womb. [01:36] I don't know if you have seen any woman that is pregnant and said, [01:40] I want to remain like this throughout my pregnancy. [01:43] Deborah, please watch this video. [01:46] I want to look back. [01:49] Where are your kids? [01:52] There are no reason. [01:56] There are two other ones. [02:00] So single. [02:03] Where are they? [02:06] I'm going to... [02:09] Where are their dear friends? [02:35] A na inzemi a jut mi nais bi Na para Good evening to lead to the [03:05] I told the rats. How many guests do we have in this class? I think there are seven. [03:23] I think there are two of them that still have Dama last year. [03:33] Where is she? [03:37] She's what? [03:42] Yes. [03:43] Let's go to the system. [03:44] Keep out. [03:45] Hey. [03:46] Yes. [03:47] Let's go to the system. [03:49] Keep out. [03:50] Hey. [03:51] So, let's see what your question came out. [04:08] The question is, when is the passing of important and characteristic? [04:15] What are the coming categorized for the strategy that would come? [04:20] Eh? [04:21] What are the coming categorized strategy that would come? [04:27] The other strategies, not what is the strategy? [04:37] There are some questions that are direct. [04:44] There are some questions that are spoken and spoken about that are narrow. [04:51] For instance, we have looked at logistics strategies, we also look at operational planning. [05:00] And we are able to look at the difference between them. [05:08] So that will be a question that deals directly with logistics strategy. [05:12] That will also be a question that deals with operation planning. [05:16] And that will also be a question that deals with logistics. [05:22] So you must be able to know, is this question talking about? [05:29] Is this question talking about operational planning? [05:33] Is this question talking about logistic and reality? [05:36] We won't be able to know those things. [05:41] Sir I think what you were trying to ask was that where do we classify strategic logistics planning tactical logistic planning and operational logistic planning [05:52] Where do you classify them under? We know that they are under logistic planning. [05:56] Like, is it type of logistic planning or what? [06:00] They are what type of operational logistic planning. [06:05] there is... [06:09] Yeah. [06:29] the [06:33] Thank you. [07:03] Thank you. [07:33] Thank you. [08:03] Yes! [08:30] six [08:30] seven [08:31] eight [08:33] Thank you 24 25 No 24 24 26 [08:46] 25. [08:48] 24. [08:50] 25. [08:52] No, 24. [08:54] 24. [08:56] 26. [08:58] 24. [09:00] 24. [09:02] 24. [09:04] I have 49 years here. [09:27] I have 49 years here. [09:29] I have 49 years here. [09:30] I know somebody's name, there's no here. [09:33] I will find out who. [09:49] There's a go for me. [09:51] Thank you. [10:21] Imane Elubush. [10:28] Imane Elubush. [10:33] Imane Elzoma.
